R. LeRoy Givens, State Water Rights Surveyor  
c/o Boyle Engineering, 1209 South Commerce St.  
Las Vegas, Nevada 89102

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the Point of Diversion, Manner and Place of Use of the waters of an underground source as heretofore granted under Permit 13259, Certificate 3913 is issued subject to the terms and conditions imposed in said Permit 13259, Certificate 3913 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the Proof of Completion of Work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.136 cubic feet per second but not to exceed 81.60 acre feet annually.

Actual construction work shall begin on or before February 21, 1974

Proof of commencement of work shall be filed before March 21, 1974

Work must be prosecuted with reasonable diligence and be completed on or before February 21, 1974

Proof of completion of work shall be filed before March 21, 1974

Application of water to beneficial use shall be made on or before February 21, 1976

Proof of the application of water to beneficial use shall be filed on or before March 21, 1976

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed APR 15 1974  
Completion of work filed APR 15 1974  
Proof of beneficial use filed APR 5 1976
